# Our Designers

## Çiğdem SERDAROĞLU

Born in Bursa in the year of 1980, Ms. Serdaroğlu has studied management in Bursa University but pursued her passion of jewelry design and founded Tash Design in 2011. She uses both semi-precious and precious stones in her collection consisting of silver and other precious minerals.

## Müge BARIŞ

She was born in Iğdır, 1986. Having graduated from Fashion Design, Anatolian University, she has been working for different brands for 6 years. Starting to apply her illustrations in 2010, which she has created since her graduation, to different products, Müge Barış created her own brand: MüDesign. She believes in that capable of inspiring from every seeing, hearing and reading of an artist is a great existence.

## BURCU OKUT

She combines the Contemporary Jewelry Design with the traditional techniques and creates unique handmade pieces of jewelry. Each piece embodies a unique energy, while creating designs authenticity, with the texture, the color form and shape. Burcu Okut Jewellery makes it possible for women to express their style, emotion thoughts and deeds through each piece of jewelry.

## IŞIN ÇAÇUR

After working as a city and regional planner at public sector, she changed her career and became an assistant art director. Then she founded her own workshop and started to design and produce unique and particular silver jewelries. Çaçur prefers to use natural horn in her design and combines it with silver using different techniques. At the same time she uses different kind of materials such as semiprecious stone, spangle, beads, and feather. She also applies cold glaze to silver.

## ASLI AKSU

Aslı Aksu was Born in Istanbul, 1987. After graduating from Yeditepe University with degree in Architecture she concentrated on her long time passion; Jewelry Design. The collections she prepared for world-famous brands has received a lot admiration

## Zeynep PAK

She is presently working as a freelance graphic designer in Istanbul. She attended School of Visual Arts and Parsons the New School for Design in New York. Previously, she attended Istanbul University majoring in Landscape Architecture upon which completed master's degree in Landscape Architecture at Istanbul Technical University. Zeynep Pak has work experience as a landscape architect in Italy and Europe.

## YUNUS GÜNDÜZERİ

Yunus Gündüzeri was born in Istanbul. In 2006, he started studying Faculty of Fine Arts, Department of Interior Architecture in Marmara University. He created the brand of "Aleerji" with the motto "Design is contagious."

## CANAN BERBER

Canan Berber was born in Merzifon. In 1977 she got a prize in the UNICEF World Children Painting Contest. She studied Textile Engineering and graduated from Ege University in 1987. In 1997 she published her first book "Chikka Boo". In 2015 her work was printed on UNICEF postcards. She lives in Istanbul and is the designer of our 41-Evil Eye Collection.

## Alexia Bahar KARABENLİ YILMAZ

Alexia Bahar Karabenli is a contemporary surrealist figurative artist who was born in Canada (12 April 1987). She has been drawing and painting since she was three. Alexia raised up in Jasmine Art Gallery (in Marmaris) with an established artist mother and an archeologist, writer father. Her family discovered Alexia's artistic abilities in her early ages and encouraged her to be an artist as well as her mother. Only when she was 7-8 years old, some of her works were exhibited in their own art gallery. She is also interested in music photography and writing but her passion is drawing and painting.

## Bülent YAVUZ YILMAZ

He graduated from Department of Art, Selçuk University in 1995. Humans and umbrellas are the main themes of his paintings His impressions turn into an abstract form and get deformed in the level of aesthetic perception filter and then, they change. In the paintings that he internalized with harmony and rhythm, the brush strokes are sometimes enthusiastic, sometimes peevish and sometimes melancholic. He opened many personal exhibitions in addition to his pictures have been exhibited many times in international exhibitions.

## Mehmet SAĞBAŞ

Mehmet Sağbaşı produces works of art that are original both technically and thematically with fauvist portrayals blended with generous color choice. His figures create a new and naive world idealized by fictionalizing on the line between the childish tale of imagery and the naked truth of tragedy. In this idealized world, the woman who lives her own tragedy reflects her mood in company with symbolic elements placed in the outside world. The nudity of Sağbaşı's woman figures exclusive of eroticism associates with the dynamism of colors as a symbolic design of psychological reality

## Seymen ŞENER

He was born as a nightmare of a little child. In the beginning, he didn't even have a name. He enhanced the intensity of the nightmares and passed from the black-and-white, sepia visions to the ones that were colorful, fragrant, but real-like. The nightmare grew up with the child. Wherever he put himself in the life, he put his nightmare there, too. When he became a young man, he was still seeing the world naked, like the first day. Now the grown-up child was a day, but his nightmare was a night. A night holding the day's hand all the time.

## Şeyda AKSU

Born in 1959 in Istanbul. Graduated from the French Girls Highschool Notre Dame de Sion. Got her degree in French Philology from Istanbul University. Started her Ceramic work in 1997. Got her formation in the Ayfer Karamani Atelier. She reflects her inspiration to her work from the vast Anatolian Culture.

## TUNÇ DİNBAŞ

Turbo, a designer from Istanbul, came to be known by drawing comics and illustrations for computer magazines in the 1980s. He combined his style with the art of graffiti because he has been drawing graffiti on the streets. He managed to assume the title of the most recognized Turkish graffiti painter of today's world. Turbo which is considered the most important factor in the forming of Turkish graffiti market published two books about this subject.

## GAMZE YALÇIN

Gamze Yalçın was born in Istanbul in 1987. After graduating from the Mimar Sinan Fine Arts University, The works of the artist, who produces works in the fields of; illustration, painting, street art, wall paintings and performance arts, can be observed in various places and streets of Istanbul. Her biggest inspiration being the depth and all tones of Blue, the artist also got the chance to paint in the streets of Berlin, Madrid, Recife and Brussels. Now she continues her work in her studio in Cibali-Balat, Istanbul.
