# Ogi Mogi

Ogi is an athlete. He tells children about sports played all over the world, from football to swimming and from basketball to tennis. He never misses olympics and world cups.

He is also a zoologist. He loves animals very much. He likes going to different parts of the world and discovers species worldwide.

Mogi is the artist traveler. She invites children to museums, theaters and concerts. She is also a gourmet. She is passionate about food, and culinary research; looking for new flavours and new ways of tasting.

If she smells of tasty food, she follows right away and tells everyone in full details.
